Subject: Possible conference call to discuss revised Safety Kleen CN limits

Categories: EZ Record - Shared

Jodie,

Would you be available for a brief conference call with myself and our Director, Dr. Abdul Zehraoui, to discuss our developing either flow-based or mass-based cyanide local limits for Safety Kleen. We would be like to schedule the call on Tuesday or Wednesday of next week, provided that is convenient for you.

Let me know if what date and time works best for you.

Sincerely,

Ken
